Quick snack post shopping

* Description of dish

Shredded chicken rolled into dumplings and eaten with flavourful soya sauce

Name of the dish

Chicken Dumplings

Makan & Reflect

Post a few hours of exhausting shopping, our family went to the foodcourt for a quick snack. We wanted to try something which is authentic to east Asia. We ordered few small snacks but this dish came out to be everyone's favourite. These yummy chicken dumplings dipped in soya sauce was a hit with my son and as it was also light, it was a perfect snack before dinner.

Get creative!
