Family dinner on a weekend

* Description of dish

Vegetables with flatbread, tomato sauce and lots of cheese

Name of the dish

Vegetable Pizza

Makan & Reflect

On the weekend when my son was cranky and bored, asked me to make him pizza. Both of us picked the vegetables available from fridge and made this delicious pizza topped with lots of cheese.

It was a wonderful bonding time with my kid and the pizza also turned out to be absolutely delicious.

Get creative!
